21st Annual Sarasota Medieval Fair Continues with New Entertainment Acts

Dates: November 1–30, Saturdays & Sundays

Location: Mallaranny Farms, Myakka City, FL (near Lakewood Ranch)

MYAKKA CITY, FL (Nov. 4, 2025) – The 21st Annual Sarasota Medieval Fair continues each weekend in November at Mallaranny Farms in Myakka City. This year’s event features a mix of returning fan favorites and new entertainment acts, offering fairgoers a fresh and unique experience each weekend.

“This year's lineup starts with a base of familiar favorites from previous years like the Washing Well Wenches, Acrobellum, and Aaron Bonk Fire Whips & Swords,” said Entertainment Director Teresa Anderson. “We then built it up with exciting new acts like Black Velvet Band, Heroes Wanted Trunk Show, and The Toasted Clover. Between music, comedy, sword fighting, and whips, there is something to delight everyone!”

In addition to live stage performances, visitors can shop artisan markets, enjoy interactive games, sample a wide variety of food, witness real jousting

tournaments, and experience the featured “Battle of Halidon Hill” on the human combat chess board. With activities for all ages, the Sarasota Medieval Fair blends historical authenticity with family-friendly entertainment.

To add to the excitement, each weekend in November features a different theme. This weekend, November 8 & 9, the theme is “Heroes and Villains,” and guests are encouraged to attend in costume as their favorite medieval-era hero or villain.
